5730 smd led strip

Bright LED Flex strip packs 50pcs * 5730 SMD LEDs per meter . It allows a very even and bright light (unlike the older 5050 SMD LEDs caused spotting) . In addition , the high density series LED strip features a high Performance LED . Features a High luminous output of UP 90 - 100 lumens per watt . The LED strip is diammable avaiable in Warm White (2700K - 3000K) , Neutral White (4000K-4500K) and White (6000K-6500K) with a colouring rendering index (CRI) of 90.

Code	ZD-S5730
LED Types	SMD 5730
LED Chip	Epistar
LED Qty	50leds/m
Power	14.4w/m
IP Rating	IP40
Size	L5000mmxW12mmxH2mm
CCT	Single color or RGB
Warranty	3years
Cuttable	Yes

- SMD5050
- SMD2835
- SMD5630

Idea Lighting where LED dots are not wanted to be seen when mounted in the optional aluminum profile . 3M tape backing for easy installation :

Flexible high quality SMD 5730 LED strip light -- it can be dimmable and controllable by controllers. It is cuttable every 3 LED chips for 12VDC and every 6 LED chips for 24VDC. The PCB width 6mm / 8mm / 10mm available.

It have a strong 3M double sided adhesive back type on IP 40 and IP 65 strips that allows it to peel and stick to most surfaces. LED strips will only adhesive their maximum lifetime installed in an Aluminum profile to dissipate heat, protect them from element, and create desirable lighting effects.

Features and Advantages of 5730 smd led strip

High output LM50 SMD Lighting Source

Friendly ETL resistant material

Super bright uniform light output without any black spot lights

Double sided PCB for better thermal management

Anodized aluminum mounting

Hardware for touch applications

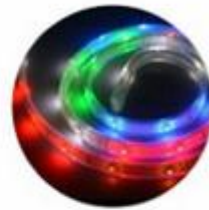

We can provide customized services to our customers. Customers need to tell us which size, what color SMD LED, the length and width of the light bar, the output power that you want to achieve, and so on.

WHAT IS
CUSTOMIZED
LED STRIP?

LOGO

Printed with your logo

APPEARANCE

Customized color and appearance

PERFORMANCE

Manufactured as per customers' demands on lightness color temperature and service life etc

SPECIFICATIONS

Customized length,width and accessories

PACKAGING

Customized packaging

Can be customized

5050

3014

FAQ:

Q1. Can you deliver in sufficient quantities all time?

A10. For general products, We have stock, shipment in 3 days once we receive the payment. If the order quantity is large, we hope customers place order 20 days in advance.

Q2. How do you handle customer claims?

A2. We will reply in 24 hours after we get customer claims.

If the item is defective upon receipt, it should be within 14days from the date of receipt for exchange a new one (Buyer should return all original and undamaged items under re-saleable condition).

Q3. Are you selling original products? Could you confirm it?

A3. Yes, we can confirm our products are all original.

Q4. Could Zhiding provide technology support?

A4. We're in this field many year. If there's any problem, please contact with us, we'll provide suggestion from our engineer to help you solve problem.
